

Hello Budapest!

We're excited to announce that Budapest Association for International Sports (BAIS) will send 13 motivated young leaders to represent Hungary at the [MOVE Congress 2025](#), taking place in Copenhagen, Denmark, 29 October - 2 November 2025. The trip is fully funded through our new Erasmus+ "GenGreen – Youth-Driven Solutions for a Sustainable Sports Landscape" partnership.

What is GenGreen?

[GenGreen](#) unites BAIS with partners in Denmark, Greece and Austria (ISCA, GAME, Organization Earth, Protect Our Winters Europe) to:

- build youth skills in climate-change advocacy and project management through sport-based, non-formal education;
- co-create and run local, youth-led green initiatives in our clubs and communities;
- showcase the best ideas at international events – first stop: MOVE Congress 2025.

About the MOVE Congress

The MOVE Congress is one of the world's only conferences devoted solely to grassroots sport and physical activity, bringing together practitioners, researchers, city officials and youth leaders for three days of active networking, training and inspiration. The 2025 edition, co-hosted by ISCA and DGI, will coincide with ISCA's 30th anniversary and Denmark's EU Council Presidency, making it an extra-special moment to influence Europe's sport-for-good agenda.

You'll join 500+ delegates for interactive workshops on sustainability in sport, youth engagement, placemaking and cross-sector collaboration – and you'll help run a GenGreen youth session to present BAIS and Hungarian green sport actions.

Who are we looking for?

- **18–29 years old and residing in Hungary.**
- Comfortable communicating in **English**.
- Experience in community volunteering or environmental projects (good-to-have but not a must).
- Passionate about sports/physical activity and sustainability.
- Able to **attend the full congress** (29 Oct – 2 Nov incl. travel).
- Representation of groups with fewer opportunities (we aim for gender balance and social inclusion).
- Committed to run at least one follow-up green activity with BAIS after returning.

All travel, accommodation, congress fees and meals during the event are covered by Erasmus+.

Deadline for application: **10th June, 2025**

[Application form.](#)

We can't wait to bring a strong Hungarian youth voice to Copenhagen. If you're ready to turn your climate passion into concrete action through sport, apply today and move the world with us!
